Remodeled with contemporary flair, this Coventry at Anthem home opens to a 19-foot ceiling and thoughtfully placed windows that fill the living space with natural light. New wood plank tile runs throughout the main level, setting a soft and warm tone against a new modern paint palette, sleek baseboards, and accordion cellular shades. The kitchen remodel delivers soft-close cabinetry in contrasting white and grey, glass display doors, quartz waterfall counters, a Blanco composite granite apron sink with restaurant style faucet, five-stage reverse osmosis, and a full stainless appliance package including a Dacor range, KitchenAid microwave, Bosch dishwasher, and GE refrigerator. The breakfast nook overlooks the pool and opens to the patio through a new slider, while the kitchen flows into the family room with its cozy fireplace and built-in cabinets. Upstairs, the primary suite includes a sitting room that works as a flex space, den, office, or gym, plus a walk-in closet, oval soaking tub, walk-in shower, and beauty desk. Two secondary bedrooms received new windows in 2026, and the hall bathroom was remodeled in 2025 with Carrera marble, a soft-close Ariel vanity, and a lighted mirror. The backyard oasis has a pebble tech pool and spa with new tile, a waterfall, flagstone, and multiple patios beneath towering palms. Additional features include rolling shutters, solar screens, Centurion ink fiber wiring, MyQ smart garage door opener, ceiling
